Friends of the River
Basic Guide Training

Friends of the River has worked to protect rivers through policy and grassroots organizing since 1973. Rafting is one of the ways we connect people to river issues in California.

When
July 11-19, 2020

Where
Camp Lotus, CA
South Fork, American River

What
9 day whitewater guide training that includes camping, meals, advocacy training, guide skills progression and a great community.

Who
People who want to volunteer for FOR and learn about river protection and whitewater raft guide skills.

Cost
$600
